DSS-4037EL (Rev. 9/89)

Transmittal No: 96 LCM-7

Date: January 22, 1996

Division: Services and
Community
Development

TO: Local District Commissioners

SUBJECT: At Risk Low Income Child Care and Transitional Child
Care Program Extension

ATTACHMENTS: Attachment A: District At Risk Allocation
(available on-line)

The Department of Health and Human Services has informed the Department that federal funds will be extended for both the At Risk Low Income Child Care (ARLICC) and Transitional Child Care programs for a three month period. The extension will cover child care subsidies for the period that begins January 1, 1996 and ends March 31, 1996.

Attachment A lists district allocations for the At Risk program for the period January 1, 1996 through March 31, 1996. District allocations for the extension period reflect a slight increase over the previous quarter's allocation. Remember that the ARLICC funds must be matched by an equivalent amount of State Low Income Day Care funds. For details on the At Risk and State Low Income programs, refer to 95 LCM-93 dated August 15, 1995.

Authority for the Transitional Child Care program also has been extended for the same time period. Funds are available that should allow social services districts to maintain this program at its previous level for the period of the extension. There is no specific district allocation for this program.

You will receive an update on the status of these and other federal child care programs as soon as information becomes available. Questions regarding this LCM may be directed to Anne Ball, Bureau of Early Childhood Services at 1-800-343-8859 extension 4-3775 or dial direct (518) 474-3775. Ms. Ball may also be contacted on-line, Userid # AV0610.
