**ANDREW M. CUOMO**  
Governor

**SHEILA J. POOLE**  
Commissioner

July 8, 2021

Dear Chief Executive Officer,

Thank you for submitting Hamilton County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

#### **Cooperative Applications Submitted Jointly by Two or More Counties**

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. Cooperative Application (Complete this section only if this is a joint application.)

1. Describe the provisions for the proportionate cost to be borne by each county.

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?

Yes (If yes, please provide their contact details below.)

No (If no, skip to Q4.)

Officer's Name:

Title:

Phone: ( )

Ext:

Email:

4. Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

#### B. Municipality Level Analysis

1. (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

We have hardly any of the above youth and when we do they are not coming from a particular community or neighborhood. We are very rural and geographically vast. We do not have ethnic disparity as almost all our population is 98.4 percent white and we have not had any minority in any of this category.

2. (a) Compare the racial/ethnic distributions among your local system’s detention and/or residential placements with the racial/ethnic distributions in your municipality’s general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

we are 98.4 percent white population and we have not had any minorities in detention or residential placements

**C. Local Collaboration**

1. STSJP legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

We collaborate with Probation, law enforcement, the schools, Home Run and through the court with a monthly CCSI Tier 2 meeting with all partners. Although specific cases are not discussed concerns, trends and challenges are and then can be followed up individually. In developing the plan the needs and gaps in resources are discussed.

The Families First program will be addressing issues that may lead to entering the juvenile justice system with our at risk youth and families. They will also work collaboratively with the school system, the Resource Officer, mental health and substance abuse social workers. Families first has two Case worker prevention specialists that work intensely with families in need as well as a deputy sheriff Resource Officer and a mental health Social Worker and Substance Abuse Social Worker. Without intervention services these youth would potentially end up in detention or foster care. The individuals and families are identified as early as possible and referrals are made for early intervention. These specialists work with the targeted child as well as the siblings and parents. They are able to handle crisis situations and have a 24 hour on call. They work on family issues in home and interacting with the schools. They provide case management services seeing the child twice a week and in the home once a week. They also attend school meeting and help advocate and provide support. They are trauma responsive, family-focused, gender responsive, evidence and strength based. They are able to adjust to the needs of the child and family and have a 24 hour hot line when needed. If a child is placed they will work with the family and child during the placement and after providing service and support. Additional funding will be used to support staff time and training in Trauma Informed Care, Youth Mental Health First Aid and Sex Trafficking.
