ANDREW M. CUOMO  
Governor

SHEILA J. POOLE  
Commissioner

December 23, 2020

Dear Chief Executive Officer,

Thank you for submitting **Schuyler** County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2020-2021. Your entire STSJP plan, including any amounts listed for PY 2020-2021 STSJP-RTA, has been **approved.**

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2021, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2020 to September 30, 2021. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

#### NOTE:

#### Cooperative Applications Submitted Jointly by Two or More Counties

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section A. Cooperative Application.**

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. Cooperative Application (Complete this section only if this is a joint application.)

- Describe the provisions for the proportionate cost to be borne by each county.
  - Describe how personnel will be compensated across and between counties in the cooperative:
  - Will a single fiscal officer be the custodian of the funds made available for STSJP?  
 Yes (If yes, please provide their contact details below.)  
 No (If no, skip to Q4.)
- |                 |        |
|-----------------|--------|
| Officer's Name: | Title: |
| Phone: ( )      | Ext:   |
|                 | Email: |
- Describe who will be responsible for collecting and submitting STSJP data for joint-funded programs:

#### B. Municipality Level Analysis

- (a) Identify communities or neighborhoods from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; then (b) Discuss what factors may be contributing to these high numbers:

There are 11 zip codes served within Schuyler County. We experienced 1 detention stay (one juvenile two separate cases) in zip code 14869. We experienced an actual placement out of zip code 14812. There is no correlation

between the two areas that would contribute specifically to these numbers. There is no factor from either zip code that could be identified as influencing this behavior driving up those numbers. The numbers are just too low to derive any contributing factors.

2. (a) Compare the racial/ethnic distributions among your local system’s detention and/or residential placements with the racial/ethnic distributions in your municipality’s general population; then (b) Discuss any racial/ethnic disparities you identified and how this plan will address the disparities:

Probation did not experience any evidence of racial or ethnic disparity. Per the US Census data provided, Schuyler County’s population is 96.5% Caucasian. Both of the youth sent to detention and placement were Caucasian. Any issues with racial/ethnic disparity is not applicable.

**C. Local Collaboration**

1. STSJP legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

Representatives from the Department of Social Services, Probation, Glove House-PINS Diversion, Youth Bureau, and Catholic Charities- Runaway and Homeless Prevention Program meet on a monthly basis to review and discuss at risk youth and cases receiving supervision and services. Cases may be reviewed and discussed creating and modifying supervision plans based on risk assessments and case developments over the course of their participation in the programs. If applicable, in new cases or in ongoing procedures as intakes unfold, Law Enforcement may be involved to provide information and assist with recommendations or services that may be needed. Often the County Attorney may be referenced as cases proceed to court for further interventions or legal proceedings. If a juvenile case proceeds to court, then the Office of Court Administration will be notified so that they can open, schedule and process a case as required so that proper disposition outcomes can be reached.

4. Describe the program, including how it is family focused. If you answered “yes” to Q1 (FSS), be sure to demonstrate how your program meets the definition. Also, please explain how each of the service types selected in Q2 will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them.

Funds will be directly provided to cover the salary and fringe benefit costs of a juvenile Probation Officer dedicated solely to serve our general at-risk youth population as supervised in a probation capacity as a Juvenile Offender, Juvenile Delinquent or Person In Need of Supervision as an Alternative to Detention, Pre-Dispositional Placement and Alternative to Placement. This population includes at risk youth, alleged Juvenile Delinquent Diversion (JDD) cases, Juvenile Delinquent (JD) probation cases, Persons in Need of Supervision (PINS) probation cases as well as any juveniles released by the court for pre-dispositional supervision services such as a case Released on their Own Recognizance (ROR) by the Family Court that requires probation oversight to avoid detention or placement. The focus of this program will be to supervise and monitor low to high risk juvenile cases to influence positive behavior changes and reduce unwanted behavior at home and in the community. The goal is to lower the chance of their removal from their home and prevent detention or placement into the custody of the Commissioner of the Department of Social Services.

5. Is the program capable of being replicated across multiple locations?  Yes  No

**C. Program 1 Performance History** (Refer to your municipality’s STSJP data files.)

1. What funding did this program receive in PY 2019-2020?

None (If none, skip to section D.)  STSJP  STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type							Total	
	P	EI	ATD/ATPDP				ATP		R/A
			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP			1	25			0	26	
STSJP-RTA									
<b>Total</b>			1	25			0	26	

3. Based on the program’s record of youth served (Q2), do you anticipate this program being over or under its budgeted capacity on 9/30/2020? Please explain:

The program will be slightly over the planned funding stream. This amount is not significant enough to make any difference in the program efficiency either way. However, this program relies on the specific stream of STSJP funding to support our juvenile probation officer. Without it, the position would be combined back into a split caseload balancing time between adult cases and juvenile cases, thereby reducing the efficiency of the officers supervision over juveniles, likely resulting in higher detention/placement rates overall.

4. Please use the table to record the **average lengths of service (days)** for youth who exited the program between 10/1/2019 and 3/31/2020. Enter zero (0) if not applicable.

Approved Funding	Program Type							ATP	R/A
	P	EI	ATD/ATPDP						
			(PINS)	(JO/JD)	(JD-RTA)	(AO)			
STSJP			N/A	116.36			0.00		
STSJP-RTA									

5. How do the average lengths of service (Q4) compare to what you would expect for that point? For ATD/PDP and ATP points, compare with the average lengths of stay for youth who were in detention and residential placements during the same time period.

According to the County Summary Sheet, the average length of stay was 116 days in the program for the cases that Probation supervised. For a juvenile diversion case, this would be close to being on par or even slightly below what we would expect in a medium/high risk diversion case (maximum stay in the program is 150 days). It is significantly less than we would expect with a high risk probation case, the maximum term in that instance being 365 days. Probation can not compare our days to detention/placement days because we do not have those numbers. Over all in terms of probation supervision services, we are happy with these outcomes in average number of days under supervision. We only had 1 PINS case active during this time frame, and they did not exit the program during that window so they were not counted.

6. Will this program's outcomes meet the PY 2019-2020 projected goals by 9/30/2020?

Yes (If yes, skip to section D.)       Partially       No

7. (a) What outcomes are on track to meet the goals set for PY 2019-2020? (b) How will they be met?

8. (a) What outcomes are not on track to meet the goals set for PY 2019-2020? (b) Please describe any contributing barriers.
